**FastTurn MR200 Plus
 Stainless**

Premium Construction • Streamlined Design • Strong and durable • Custom Lid

**FastTurn MR200 Plus
 (Stainless with choice of custom lids)**

Applications:

The FastTurn MR200 Plus with its custom top is the perfect waist high turnstile for a variety of applications ranging from athletic facilities, cafeterias, and schools, to amusement parks, stadiums and office buildings.

The streamlined, rugged and durable design has been built to withstand the abuse of a mass transit system while maintaining an affordable budget price.

Wherever control of pedestrian traffic is necessary, these waist high turnstiles will perform flawlessly. Used as either stand alone units or as part of a fully integrated security control package, these turnstiles offer great quality and value.

Materials and finishes available in:

- Custom Top
- 304 Stainless Steel
- Radius Ends
